## **Tim Kenyon, CPA**

### *Tax Partner*

Tim is our tax expert, specializing in the areas of estate planning, tax planning, and tax compliance for individuals, corporations, partnerships, and closely-held businesses. He has experience in multi-state filings, international, manufacturing, retail industries and estate preservation planning. Also specializing in mergers and acquisitions, Tim enjoys the consulting areas of business succession planning, valuations and entity reorganizations.

Tim is a problem solver. It makes him a perfect fit for Tax Partner. If your company operates in multiple states, internationally, or has complex structure, Tim is your resource. You can feel confident that Tim will find the right answers to your questions.

As Tax Partner, Tim also updates our staff on the newest changes in tax regulations. He enjoys coaching and mentoring staff to understand how these changes will impact our clients.

In his spare time, Tim enjoys a variety of outdoor and sports activities.
